EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Fred Sinder on December 2, 2004.

The application has been amended as follows:

In claim 5, line 12, remove [severe coronary artery disease] and replace it with ---
-having a coronary stenosis of 50-100% at angiography--.

In claim 9, line 13, remove [severe coronary artery disease] and replace it with ---
-having a coronary stenosis of 50-100% at angiography--.

The following is an examiner's statement of reasons for allowance: the prior art does not teach relationship between a 75 percentile risk of coronary stenosis or CAD and LDL-C/(HDL-C +bilirubin) when bilirubin levels are multiplied by 100.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Shahnam Sharareh whose telephone number is 571-272-0630. The examiner can normally be reached on 8:30 am - 6:00 pm.
